Imagine your tuscan travel

Collaborate with *4 Tuscany.net* and join our photo-community

Are you an **amateur photographer**? Are you a **professional photographer**? Have you already been in Tuscany? Do you want to share the photos of your Tuscan holiday? Publish your Tuscan photos and join the
4Tuscany
community is easy and free.

You just need to email info(at)4tuscany.net your Tuscany pictures and a presentation article.

What to do

- Send us only **original photos** that you have created.
- Respect the **copyright** of our photoraphers. For any use of photos that are published on *4 Tuscany*
website you have to contact directly the photographer.
- Do link back to *4 Tuscany* when you post your *4Tuscany* content elsewhere.
4Tuscany makes it possible to post *4Tuscany* pages to other web sites. However, pages on other web sites that display content hosted on *4Tuscany*
must provide a link from each photo or content back to its page on

4Tuscany
. This provides a way to get more information about the content and the photographer.
- See Tuscany through our photographers' eyes, vote and write a comment on your favourite Tuscan photos, and *bon voyage*!

What not to do

- **Don't upload anything** that **isn't yours**.
This includes others' pictures and/or photos and contents you have copied or collected from around the Internet. Stuff of such kind may be deleted at any time.

- **Don't upload web graphics**, like logos and banners.

4Tuscany.net editorial staff reserves the right to publish photos and articles for free upon verification of the contents.
We thank you in advance for your collaboration, we will write your name below the pictures.

Copyright Infringement
If you see photos that you have created in another member's photo gallery, contact them via mail and politely ask them to remove it. If that doesn't work, you can email info(at)4tuscany.net.
